The 1962
Rambler
Galesburg-Augusta
High School

Foreword

From this beautiful new school, which we are using as the theme of our yearbook, we Seniors graduate with mixed emotions. We are sad to leave the home of all our wonderful memories, but realize there are always new experiences from which we will create new memories and through which we will grow. As Tennyson said, "Yet all experience is an arch where gleams the untraveled world, whose margins fade forever and forever when we move."

 I really enjoyed being your friend
 and going thru school with you. We
 have had so much fun together. I

 we had together under Maskill and
 his gym classes too. I enjoyed
 every moment I've been with you.

Our talks about most everything
 have helped **RED HOTEL** me out and
 feel a lot **FURNITURE CO.** more at
 ease. We used to talk on the phone
 for hours doing our homework (or you
 doing mine is better.) You shall have
 change through the years, I remember
 a party you had & you tried your

 you so)

Now its just the opposite. I sure
 hope we get together a lot this
 summer. (WORK I HOPE) Maybe I can
 get you to help me with my studies
 next year because I'll really need it.
 I wish you the best of luck

- You Are Always Welcome Here -

It's a pretty important decision, young lady—choosing your job.

Of course you'll want a good starting salary with the opportunity for regular increases, pleasant surroundings, paid vacations, a chance to make new friends and all the other things that will make your work enjoyable.

But you're probably looking for something beyond these benefits—a job with an opportunity for you to make a real contribution, and one that can give you pride and satisfaction in your accomplishments.

There may be a job like this for you at the telephone company.

You might qualify as a telephone operator, or a teller, a cashier, or a clerk—these are just some of the many interesting jobs other graduates from your school have found at Michigan Bell. And there's advancement in every one of these positions for the girl who's interested in getting ahead. What next? Why not visit Michigan Bell's Employment Office and see. We'll be looking for you.
